

Chief Financial Officer

About the Company

Kimetrica is a social enterprise with a mission to increase the effectiveness of spending in the social sector. We help international organizations, governments and nonprofits to increase the impact and efficiency of their social investments, enhance accountability, manage critical risks, and build donor and taxpayer confidence.

Our services extend from major project evaluations to provision of early warning services, and monitoring the political, social and economic conditions in fragile states. Our analyses inform multi-million dollar policy and project design decisions, often in life-threatening humanitarian situations.

To have an impact, we need to convey technical findings and often highly nuanced messages to non-technical decision-makers.
